Organic Wholefoods

Dear Sirs

I have visited online the following two websites :

<http://www.mymill.co.uk>

<http://www.breadlink.co.uk>

Following a visit to your shop, I am very sorry that I could not find their products on your shelves.

They have a very good range of speciality organic lines such as sprouted flours for example.

Can you contact the sales dpt of this company please ?

Should you stock them, it would enable me to buy with you without paying transport charges with them, or even using my credit card online.

Further more I would not have to wait until I receive them....

Thank you very much

Best regards
